COUNCIL ACTION: (Tape location: A030-033.)

MOTION BY PRATT TO APPROVE. Second by Struiksma. Passed by the
following vote: Wolfsheimer-yea, Roberts-not present,
McColl-yea, Pratt-yea, Struiksma-yea, Henderson-yea,
McCarty-yea, Filner-yea, Mayor O'Connor-yea.

ITEM-31: DENIED HEARING

Matter of the request of Ken Stewart, Owner, Cobar House,
Inc., by Constance Gresham-Henderson, for a hearing of an
appeal from the decision of the Board of Zoning Appeals in
granting modified Conditional Use Permit CUP-19572, with
conditions. The requested amendment to the permit would
allow operation of a residential care facility for a
maximum of 12 persons and conversion of a garage into a
recreation and office area. The existing permit allows 10
persons. The subject property is located at 1140 Beverly
Street, in Zone SF-6000, in the Southeast San Diego
Planned District, and is further described as Lot 16,
Block 9, Beverly Subdivision, Map-1129.
(CUP-19572. District-4.)

A motion granting or denying the request for a hearing of
the appeal.

CONSENT MOTION BY McCARTY TO DISPENSE WITH THE READING AND ADOPT. Second by Struiksmā. Passed by the following vote: Wolfsheimer-yea, Roberts-yea, McColl-yea, Pratt-yea, Struiksmā-yea, Henderson-yea, McCarty-yea, Filner-yea, Mayor O'Connor-yea.

* ITEM-52: (O-89-187) INTRODUCED, TO BE ADOPTED APRIL 17, 1989

Introduction of an Ordinance amending Chapter II, Article 2, of the San Diego Municipal Code by amending Section 22.0102 relating to Publication of Ordinances or Resolutions.

CITY CLERK SUPPORTING INFORMATION: The San Diego Municipal Code, Section 22.0102, states that an ordinance or resolution of a general nature shall be published within ten days after final passage. The San Diego City Charter, Section 18, states that an ordinance or resolution of a general nature shall be published within fifteen days after final passage. This amendment to the San Diego Municipal Code, Section 22.0102, will bring it into conformance with the San Diego City Charter, Section 18.

COUNCIL ACTION: (Tape location: A141-146.)

CONSENT MOTION BY McCARTY TO INTRODUCE. Second by Pratt. Passed by the following vote: Wolfsheimer-yea, Roberts-yea, McColl-yea, Pratt-yea, Struiksmā-yea, Henderson-yea, McCarty-yea, Filner-yea, Mayor O'Connor-yea.

* ITEM-53: (O-89-169) INTRODUCED, TO BE ADOPTED APRIL 17,
1989

Introduction of an Ordinance amending Chapter III,
Article 5 of the San Diego Municipal Code by amending,
adding or renumbering Sections 35.0101 through 35.0138
relating to the Transient Occupancy Tax.

(See City Manager Report CMR-89-107.)

COMMITTEE ACTION: Reviewed by RULES on 3/15/89.

Recommendation to adopt the City Manager's recommendations to
strengthen the City's ability to collect Transient Occupancy
Taxes (TOT). Districts 2, 3, 6, 7 and Mayor voted yea.

District 4 not present.

COUNCIL ACTION: (Tape location: A141-146.)

CONSENT MOTION BY McCARTY TO INTRODUCE. Second by Pratt.

Passed by the following vote: Wolfsheimer-yea, Roberts-yea,
McColl-yea, Pratt-yea, Struiksma-yea, Henderson-yea,
McCarty-yea, Filner-yea, Mayor O'Connor-yea.

* ITEM-54: (O-89-149) INTRODUCED, TO BE ADOPTED APRIL 17,
1989

Introduction of an Ordinance amending Chapter VIII,
Article 6, of the San Diego Municipal Code by amending
Sections 86.19, 86.19.1, 86.19.2 and 86.19.3 relating to
City Parking Facilities.

CITY MANAGER SUPPORTING INFORMATION: Present Municipal Code
Section 86.19 as it relates to regulating parking in City owned
parking facilities is too restrictive. Currently, enforcement
of this section is only permissible in parking facilities owned
by the City. It is recommended that San Diego Municipal Code
Sections 86.19, 86.19.1, 86.19.2 and 86.19.3 be amended to read
"...parking facilities owned, leased, or operated by the
City..." There are several parking facilities currently being
leased or operated by the City. One such facility is the new
Police Headquarters building. Because of the existing wording
of Municipal Code Section 86.19, normal parking enforcement
methods cannot be taken to regulate parking discrepancies at
this location. This same problem also exists at the other City
occupied parking facilities when enforcement is warranted. The
proposed amendment change will eliminate these enforcement
limitations and will broaden the scope of the sections. This
will permit the Police Department to take proper enforcement in
all City parking facilities.

ITEM-109: (R-89-1576) CONTINUED TO APRIL 10, 1989

Inviting bids for Maintenance Surfacing Various City Streets Group "Y" FY 89; authorizing the execution of a contract with the lowest responsible bidder; authorizing the expenditure of funds not to exceed \$4,844,480 (\$4,700,000 from Gas Tax Fund 30219; \$63,840 from Water Utility Operating Fund 41500 and \$80,640 from Sewer Revenue Fund 41506) for said project and related costs; authorizing the Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves. (BID-0544/89) (City-wide.)

CITY MANAGER SUPPORTING INFORMATION: The proposed

contract is for the Annual Street Maintenance Program of Resurfacing Various City Streets. Under the program standards, asphalt streets should receive this resurfacing treatment every 21 years. Specific streets to be resurfaced are selected on the basis of an annual survey using the following criteria: age, oxidation, cracking, amount of patching, nature of use, and avoiding conflict with planned underground utility work. The following is a summary of the miles of streets by neighborhood: Downtown/Hillcrest/North Park/Normal Heights/Logan Heights - 16 miles; East San Diego/Southeast San Diego/Paradise Hills/Encanto - 21 miles; Mission Hills/Old Town/Point Loma/Ocean Beach - 8 miles; Mission Beach/Pacific Beach/La Jolla/Bay Park - 33 miles; Clairemont/Serra Mesa/Tierrasanta - 12 miles; Del Cerro/Allied Gardens/San Carlos - 14 miles; Mira Mesa/Del Mar Heights/Scripps Ranch - 3 miles; Penasquitos/Rancho Bernardo/San Pasqual - 2 miles; and South Bay/San Ysidro - 7 miles. The contract contains an option to resurface selected streets using a recycling technique. The Utilities Department contributes funds annually to this contract to pay for the raising of sewer manhole covers and gate valve covers to the new surface elevation.

Two actions relative to Carmel Valley Neighborhood 5, Unit No. 6:

(North City West Community Area. District-1.)

Subitem-A: (R-89-1757) ADOPTED AS RESOLUTION R-273112

Authorizing the City Manager to release a portion of the surety issued by Developers Insurance Company in the form of Performance Bond No. 910373S, so that the same is reduced as follows:

1. For faithful performance, to the sum of \$194,515.
2. For the benefit of the contractor, subcontractor and to persons renting equipment or furnishing labor or materials, to the sum of \$97,257.50.

Subitem-B: (R-89-1758) ADOPTED AS RESOLUTION R-273113

Granting an extension of time to March 14, 1990 to The Baldwin Company, subdivider, to complete the improvements required in Carmel Valley Neighborhood 5, Unit No. 6.

CITY MANAGER SUPPORTING INFORMATION: On May 25, 1985 the City entered into an agreement with The Baldwin Company for the construction of public improvements for Carmel Valley Neighborhood 5, Unit No. 6. Performance Bond No. 910373S issued by Developers Insurance Company in the amount of \$677,082 was provided by the subdivider. The agreement expired May 25, 1987. The subdivider has requested a partial release of surety and an extension of time to March 14, 1990 in which to complete the work, which consists of a retaining wall and grading for Lot 24 of the subdivision. Ninety-five percent of the work has been completed to the satisfaction of the City Engineer. The job order account has sufficient funds to cover anticipated future costs to the City. There are no mechanic's liens filed against the surety and there has not been a previous partial release. In accordance with Council Policy 800-11 and 600-21, respectively, it is recommended that the surety be reduced by an amount which is 75 percent of the value of the work completed.

Therefore, 71 percent of the original surety will be released which will reduce the surety to \$194,515.

* ITEM-116: (R-89-1734) ADOPTED AS RESOLUTION R-273114

Vacating the westerly excess portion of Horton Avenue north of Laurel Street and adjacent to Block 82 of Middletown, under the procedure for the summary vacation of streets where the portion of street to be vacated is excess to the City's right-of-way needs and is no longer required for street or highway purposes; reserving and excepting from the foregoing vacation the right, easement and privilege of placing, constructing, repairing, replacing, maintaining, using and operating public utilities of any kind or nature; declaring that the City reserves and excepts from vacation and abandonment, easements, and rights of any public utility pursuant to any existing franchise or renewal thereof; declaring that the easement reserved is in, under, over, upon, along and across Horton Avenue; declaring that the resolution shall not become effective unless and until the issuance of permits for the required public improvements has been completed; declaring that in the event the permits for the public improvements are not issued within 18 months after the adoption of this resolution, this resolution shall become void and of no further force or effect; directing the City Engineer to advise the City Clerk of the approval of the permits.

(Uptown Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: The abutting property owners have requested the subject vacation to provide an additional area for off-street parking. The abutting properties are presently developed, and the owners have no redevelopment plans at this time. The subject vacation is located in the Uptown Community and is situated in an R-1000 Zone with a small portion (approximately 200 square feet) being in a Hillside Review Overlay Zone. The area of vacation totals approximately 1,200 square feet and will increase the residential entitlement of one of the abutting properties by one unit. The Planning

Department has no objections to the proposed vacation. The subject vacation is improved with curbs, gutters, and some sidewalk. The right-of-way also contains public utilities and franchise facilities for which easements are to be reserved. Horton Avenue was originally 75 feet in width. A previous Council action in December 1984 vacated the full-width of Horton Avenue beginning 150 feet north of Laurel Street to Maple Street and reduced the remaining right-of-way width to 60 feet by vacating the easterly 15 feet of Horton Avenue. The present request is to vacate the westerly eight-foot segment, yielding a 52-foot-wide right-of-way. This width of right-of-way would provide adequate access to all adjacent properties. The existing curb, gutter and sidewalk must be relocated to provide a ten-foot curb-to-property-line distance. Staff review has indicated that the area-of-vacation can be considered excess right-of-way and is no longer required for present or prospective public use. It may be summarily vacated conditioned upon the issuance of permits for the required public improvements.

Authorizing the sale by negotiation of an emergency access easement in Lot 14 of International Business Center Subdivision for the sum of \$900 to Gadko/Otay Mesa, Ltd.; authorizing the execution of a quitclaim deed, quitclaiming to Gadko/Otay Mesa, Ltd. said property; determining that no broker's commission shall be paid by the City on said negotiated sale.

(Otay Mesa Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: The owners of International Business Center have applied to the Engineering and Development Department for a vacation of a 20-foot-wide emergency access easement from the Mexican Border to the cul-de-sac termination of Calle de Linea, a newly dedicated City street within this subdivision, located south of Brown Field in Otay Mesa. The City of San Diego acquired the easement at no cost by recordation of the subdivision map in September of 1988. Since then the Border patrol has stated a preference for construction of emergency access roads at half-mile rather than quarter-mile intervals, in order to reduce their surveillance problems. The Planning Department, Traffic Engineer and Property Department have no objection to abandoning the easement. It is therefore recommended to Council that the Mayor and City Clerk be authorized to issue a quitclaim deed to the applicant.

Establishing a permanent trust fund with the bequest from Gladys Hakel by and within San Diego Community Foundation; determining that the interest only, each year, from the permanent trust fund be used by the San Diego Community Foundation solely and exclusively for Balboa Park.

(Balboa Park Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: Mrs. Gladys Hakel, a long time resident of San Diego, died on December 9, 1987, leaving a portion of her estate to the City of San Diego. Her will specified that the bequest be used for "improvements and maintenance of the grounds of Balboa Park". The initial disbursement is \$71,500. From time to time over the next several years, additional funds will be disbursed totaling about \$5,000. With this action, a permanent trust fund will be established with this bequest within the San Diego Community Foundation. The interest only each year will be used for Balboa Park. The establishment of a permanent trust fund will serve two purposes: (1) to give substantial recognition to Mrs. Hakel, and (2) to encourage other people to make provisions in their will to benefit the City. The amount from the Hakel Estate added to the other accounts, brings the total amount dedicated to Balboa Park to approximately \$750,000. The San Diego Community Foundation was established 14 years ago with financial help from the City. The purpose of the Foundation is

to encourage people to make provisions in their will to help local charities. Assets of the Foundation have grown substantially and now approach the \$40 million level. The Community Foundation is the appropriate place to deposit this bequest.

(Rancho Bernardo Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: In November, 1988, the developer of 4-S Partners deposited \$397,892 with the City as their contribution towards the future Camino Del Norte/Bernardo Center Drive interchange. This contribution was a requirement of their tentative map--the final map being approved. The subject Council action will allow the interest earned on the principal to be retained in this specific fund instead of being credited to the General Fund, thereby increasing the amount of funding available when the interchange is constructed.

(North City West Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: Carmel Del Mar School and Park is in the North City West Neighborhood 5. Improvements on the City owned portion of the site were recently completed. The proposed new project will add several game courts to the large paved area between the athletic field and the future elementary school site. These facilities will be used by the school during school hours and by the public at all other times. The type, size and location of the various game courts will be determined by the City, the school and community representatives. Every effort is being made to complete this small project during this fiscal year so that the courts can be available to the community during the summer.

(Kearny Mesa Community Area. District-5.)

CITY MANAGER SUPPORTING INFORMATION: The City of San Diego is requesting that CalTrans assume the responsibility for maintaining that portion of Balboa Avenue (State Route 274) between Kearny Villa Road and Ruffin Road. This road, Balboa Avenue (SR-274) from I-5 to I-15 was originally designated as a State Highway in October, 1967. While the facility was designated as a State Highway, CalTrans has been reluctant to accept full responsibility for maintenance until it was improved to their standards. Over the past several years City staff, working with CalTrans, has improved this section of Balboa Avenue to CalTrans' satisfaction and would now like to turn the responsibility of maintenance and operation of this last remaining section of Balboa Avenue over to CalTrans.

Establishing a parking time limit of two hours between the hours of 8:00 a.m. and 6:00 p.m., Sundays and certain holidays excepted, on the west side of Marlborough Avenue between University Avenue and Wightman Street, adjacent to Lots 35 through 48 Block 51, Map-1007; authorizing the installation of the necessary signs and markings; declaring that the hereinabove imposed regulations shall become effective upon the installation of such signs.

(Mid-City Community Area. District-3.)

CITY MANAGER SUPPORTING INFORMATION: This proposed two-hour time limit zone on Marlborough Avenue was petitioned by a property owner representing 100 percent of the affected frontage. Typically, two-hour time limit parking zones are installed for entire block lengths. However, due to the mixed commercial and residential lots on this block face, installation of the time limit parking zone is recommended only in front of the commercial section (1/2 of the block). Recent parking

studies of this location determined the average parking occupancy to be 83 percent and the average vehicle was parked for a duration of 3.0 hours. This location is close to other time limit parking zones which receive a high level of enforcement. This meets the requirements of Council Policy 200-4 for the establishment of a two-hour time limit parking zone. Therefore, this parking restriction is recommended for implementation.

CITY MANAGER SUPPORTING INFORMATION: The proposed agreement with Hallenbeck, Chamorro and Associates will provide the professional services required to remodel the existing recreation building at Memorial Community Park; and construct a multi-sports area as well as remodeling the building at the San Ysidro Community Activity Center. The proposed consultant was selected in accordance with Council Policy 300-7. The City advertised for professional services as needed in the San Diego Daily Transcript, on May 20, 1988, and established an as needed list of consultants. The Park and Recreation Department interviewed three architectural firms certified from the list. The City Manager received input from the Park and Recreation Department and is recommending Hallenbeck, Chamorro and Associates for these projects.

* ITEM-139: (R-89-1711) ADOPTED AS RESOLUTION R-273135

Authorizing the execution of a cooperative agreement with National City for the design and construction of modifications to the existing traffic signals at the intersections of Reo Drive and Valley Road/Tonawanda Drive and at Reo Drive and the South Bay Freeway; authorizing the expenditure of an amount not to exceed \$42,000 from CIP-68-001.1, Cooperative Signal Projects, for the above purpose.

(Paradise Hills Community Area. District-4.)

CITY MANAGER SUPPORTING INFORMATION: This cooperative agreement is for the design and construction of modifications to the existing traffic signals in order to upgrade the existing equipment to provide improved synchronization on Reo Drive at its intersections with Valley Road/Tonawanda Drive and with the South Bay Parkway. Traffic studies made at these intersections indicate that the peak hour traffic volumes have increased to the point of requiring synchronized coordination between these two intersections. Only the intersection of Reo Drive and Valley Road/Tonawanda Drive is located within the San Diego City

limits. It should be noted that the City of San Diego maintains the above traffic signals under an existing maintenance agreement. The City's share of the total cost estimate for this project, including design, equipment and construction, has been estimated at \$42,000.

Authorizing the execution of an agreement with Ninyo and Moore for the preparation of a Solid Waste Assessment Report for the South Miramar Landfill; authorizing the expenditure of an amount not to exceed \$79,958 from Capital Outlay Fund No. 30243, CIP-37-250, for the purpose of providing funds for the above agreement; authorizing the Auditor and Comptroller, upon advice from the administering department, to remit unexpended funds, if any, to the appropriate reserves.

(Mira Mesa Community Area. District-5.)

CITY MANAGER SUPPORTING INFORMATION: Assembly Bill 3525 requires landfill operators to conduct Solid Waste Assessment Test (SWAT) Reports for identifying potential water and air pollutants on all current and former refuse disposal sites. The Regional Water Quality Control Board (RWQCB) has been designated as an enforcement agency. AB-3525 specifies that the SWAT Report must be prepared by a registered Geologist or Engineer with a minimum of five years hydrogeological experience. Existing City staff lacks these qualifications, therefore experienced engineering consultants were solicited. This agreement is for preparation of the SWAT Proposal and Report for the South Miramar landfill. This landfill was operated by the City of San Diego from December 1959 through May 1973. An advertisement was placed in the San Diego Transcript soliciting qualified engineering consultants. Administrative Regulation 25.60 was followed for the selection of this Engineering Consultant. Three short listed consultants were interviewed in accordance with Council Policy 300-7. The selection committee recommended Ninyo and Moore, as the most qualified consultant for this project based on their previous experience with the

local RWQCB.

ITEM-141: (R-89-1754) ADOPTED AS RESOLUTION R-273137

Authorizing the execution of a fifth amendment to the Sewage Disposal Agreement of 1974 with the Padre Dam Municipal Water District for providing water and sewer service to a new high school currently under construction in the Grossmont Union High School District.

(East Elliott Community Area. District-7.)

CITY MANAGER SUPPORTING INFORMATION: The Grossmont Union High School District is constructing a new high school on a site located within the boundaries of the City of San Diego. It is anticipated that the majority of students attending this school will be from the Padre Dam Municipal Water District's (District) service area. The District has given conceptual approval to provide the high school site with water and sewer service even though the school site has not been annexed to the District. The District is willing and able to provide water service to the high school. However, it is willing but unable to allocate sewer capacity to the site from its sewer capacity pursuant to the Sewage Disposal Agreement of 1974. The Fifth Amendment to the Sewage Disposal Agreement of 1974: 1) consents to the District's provision of water and sewer service to the high school, 2) allocates 23,800 gallons per day of the City's sewer capacity to the District for the purpose of providing sewer capacity to the high school, 3) states that the average and peak sewage flows per day attributable to the high school will not be charged against the average and peak sewage flows per day established for the District in the Metropolitan Sewerage System. Should the District discontinue the provision of sewer service to the high school, this Fifth Amendment will cease to be effective and the sewer capacity allocated by the City to the District will revert back to the City.

(La Jolla Shores and Ocean Beach Community Areas.
Districts-1 and 2.)

CITY MANAGER SUPPORTING INFORMATION: The proposed agreement with Van Dyke and Associates will provide the professional services required for the design of improvements to Kellogg Park and the Ocean Beach Athletic Area. Kellogg Park will have a new irrigation system, revised walks, landscaping and other minor improvements. The Ocean Beach Athletic Area will have the unimproved westerly part of the park designed for additional multi-sports fields. The proposed consultant was selected in accordance with Council Policy 300-7. (Harbor Community Area. District-2.)

CITY MANAGER SUPPORTING INFORMATION: The Biology and Ocean Monitoring Section of the Water Utilities Department requires laboratory space that is close to its vessels in San Diego Harbor. The proposed office space consists of 2,906 square feet located in Fisherman's Village at 4918 North Harbor Drive, Suites 101 and 102. This location fulfills all of Water Utilities' requirements for this specialized work. The proposed leasehold is in Council District 2. The rent is \$3,632 per month (\$1.25 per square foot) including utilities. The initial lease term is for three years with an option to extend the term for an additional two years.

Certifying that the information contained in Environmental Negative Declaration END-88-0401, has been completed in compliance with the California Environmental Quality Act of 1970, as amended, and State CEQA guidelines, and has been reviewed and considered by the Council.

CITY MANAGER SUPPORTING INFORMATION: Council previously approved the application of the Indochinese Mutual Assistance Association of San Diego (IMAA) for \$50,000 in Community Development Block Grant Funds. The purpose of the \$50,000 grant to this nonprofit organization is for renovation and operation of the former Linda Vista Branch Library as a public community center. This 4,030-square-foot building was made available by the public library's move to a new and larger building. IMAA's programs will be directed primarily to senior citizens and will include health, education, and nutrition programs, cultural activities, and meal service. IMAA has obtained a Conditional Use Permit for this type of use of the property.

The Property Department has negotiated the required lease agreement with IMAA. The term of the lease will be 10 years at a minimal monthly rental starting at \$50. IMAA will supplement the \$50,000 grant with \$5,000 of its own funds to cover the cost of remodeling the 38-year old building. The remodeling work will be controlled by a City-approved development plan. IMAA will maintain the property and operate the community programs at no expense to the City.

Two actions relative to the lease approval of Ocean Pride Group - Ocean Beach Pier Concession:
(Ocean Beach Community Area. District-2.)

Subitem-A: (R-89-1724) ADOPTED AS RESOLUTION R-273140

Authorizing the execution of a 10-year lease agreement with Ocean Pride Group, for the coffee shop/bait and tackle concession located on the Ocean Beach Municipal Fishing Pier for an initial monthly rental of 10 percent of gross income with a minimum rent of \$1,500.

Subitem-B: (R-89-1725) ADOPTED AS RESOLUTION R-273141

Certifying that the information contained in Environmental Impact Report EIR-88-0122, has been completed in compliance with the California Environmental Quality Act of 1970, as amended, and State guidelines, and has been reviewed and considered by the Council; adopting the findings made with respect to the feasibility of the mitigating measures, project alternatives and the statements of overriding considerations, if any, contained within Environmental Impact Report EIR-88-0122, pursuant to California Public Resources Code Section 21081.

CITY MANAGER SUPPORTING INFORMATION: Council previously authorized the Property Department to negotiate a lease with Ocean Pride Group to remodel and operate the 23-year old restaurant/bait and tackle concession on the Ocean Beach Municipal Fishing Pier. Ocean Pride Group was selected from among five proposers who responded to a Request for Proposals. The lease negotiated with Ocean Pride Group is based substantially on the proposal that it submitted in response to the RFP. The proposed lease incorporates a development plan which provides for major remodeling, at the tenant's expense, of the concession building, including the construction of a 2,460-square-foot second story within 3 years. The rent is initially 10 percent of gross income versus a \$1,500 monthly minimum, subject to periodic adjustments. A rental moratorium of 8 months will be allowed as an accommodation to the lease for building the estimated \$300,000 in improvements. The term of the lease is 10 years with the provision for one additional term of 10 years under certain conditions. The Environmental Impact Report for this project concluded that building the second story will create an unmitigated parking impact, due to the increased sales volume that the larger, upgraded concession should generate. The tenant will install bicycle racks as a partial mitigation measure. The major community groups in Ocean Beach reviewed the EIR and sent letters of support for the project. Construction of the second story on the concession building will be coordinated with the City's upcoming project for structural repair of the pier.

Authorizing the execution of a three-year percentage lease agreement with Wayne Breise, commencing July 1 1989, after termination of the existing lease on June 30, 1989, for the purpose of continuing to rent storage hangars and tiedowns on a portion of Lot 6, Brown Field, at a minimum annual rent of \$7,200.

(Otay Mesa Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: Wayne Breise, (Lessee) previously sublet the premises from Border Aeronautics. In 1985, Border Aeronautics filed bankruptcy and the City terminated Border's lease agreement. At that time, the City took possession of the premises and placed the sublease agreement with Wayne Breise on a month-to-month holdover status for the purpose of renting hangars, owned by the lessee, and tiedowns. Subsequently, the City and the lessee executed a three-year percentage lease agreement for the premises (.35 acres, Lot 6), which expires on June 30, 1989. This renewal lease agreement will allow the lessee to continue operating on the premises for an additional three years, commencing on July 1, 1989. This agreement contains updated terms and conditions, including the City's current approved percentage rental rates and an increase in the minimum annual rent from \$3,600 to \$7,200 to reflect market rent charged on comparable uses at the airport. The premises is not planned for future development within the lease term; however, a 180-day termination clause has been included in the lease agreement to allow the City flexibility.

(District-2.)

CITY MANAGER SUPPORTING INFORMATION: On September 22, 1986, the City Council awarded a construction contract for \$784,000 to Olson Construction Co. (later reassigned to Engicon Corporation) for the construction of the Polymer Feed Facility at the Point Loma Wastewater Treatment Plant. The electrical drawings (21650-16,17,18,19-D) of the approved project plans call out that the City will provide final connections for the flow control valves, flow sensors, flow meters, and motor-operated valves and, in addition, the City was to develop and provide the program for the programmable controller. Due to prior commitments, the City staff was unable to provide the electrical connections and controller program. The Water Utilities Annual Consultant has prepared additional drawings for the contractor and developed the program. Change Order No. 8 provides for the additional cost to the contractor for the equipment and labor to make final the electrical connections and to upgrade two variable frequency drive motors. The total amount of Change Orders No. 1 through No. 7 is \$13,749.80, 1.75 percent of the authorized construction costs. Change Order No. 8 will increase the total change order amount to 12.7 percent of the authorized construction costs.

Approving Change Order No. 10, issued in connection with the contract with Engicon Corporation, for the construction of the Central Control Building at Point Loma Wastewater Treatment Plant; authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$61,120 within the Sewer Revenue Fund, No. 41506, from the Unallocated Reserve, No. 70697, to the Annual Allocation Point Loma Wastewater Treatment Plant, CIP-46-119.0, consisting of \$54,120 to Program No. 70292 and \$7,000 to Program No. 70892; authorizing the additional expenditure of an amount not to exceed \$61,120, to supplement Resolution Numbers R-267006, R-267007 and R-26796 from the Sewer Revenue Fund, No. 41506, CIP-46-119.0, Annual Allocation Point Loma Wastewater Treatment Plant for the purpose of providing funds for the above Change Order No. 10; authorizing the Auditor and Comptroller to transfer excess budgeted funds, if any, to the appropriate reserves. (Peninsula Community Area. District-2.)

CITY MANAGER SUPPORTING INFORMATION: On April 16, 1987, the City Manager approved a previously authorized project for \$797,000 to remodel the Central Control Building at the Wastewater Treatment Plant. During the remodel of the Central Control Building, ambient air sample tests by the United States Testing Company and a subsequent report for the Risk Management Department recommended that the remodeling should cease due to the discovery of asbestos. The remaining friable asbestos still in the ceilings and walls were removed by a "registered" asbestos contractor. Change Order No. 10 is for the cost related to the removal of asbestos from the Central Control Building, and for a new sludge disposal line that originates in the Building's basement. It is prudent and cost effective to install 30 feet of a new sludge disposal line at this time as part of this contract, thereby eliminating unnecessary construction at a future date. The cost for delays due to the asbestos removal, additional repairs caused by the removal, a new ceiling to replace the old asbestos contaminated ceiling which was completely removed, and remobilization by the contractor, Engicon Corporation, are all included in the Change

Order. This request is for the authorization and financing for Change Order No. 10. Change Orders No. 1 through 9 have been previously approved for a total of \$51,297.79 or 7.8 percent of the contract.

(Continued from the meeting of March 20, 1989, Item 137, at Council Member McCarty's request, to review with the developer and staff the Roadrunner Neighborhood Park portion of the item.)

Authorizing the execution of an agreement with O.N.A., Inc., for professional services required for CIP-29-403, Roadrunner Neighborhood Park; authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$1,500 from Park Service District Fund No. 11340 to CIP-29-403, Roadrunner Neighborhood Park; authorizing the expenditure of an amount not to exceed \$100,200 consisting of \$26,500 from CIP-29-403, Roadrunner Neighborhood Park, PSD Fund No. 11340, for the purpose of providing funds for the above services; authorizing the City Auditor and Comptroller, upon advice from the administering department, to remit unexpended funds, if any, to the appropriate reserves.

(Tierrasanta Community Area. District-7.)

CITY MANAGER SUPPORTING INFORMATION: The proposed agreement with O.N.A., Inc., will provide the professional services required for a neighborhood park project. Roadrunner Neighborhood Park, CIP-29-403, will provide turf and an automatic irrigation system for the Farb Middle School playground. Farb Middle School is adjacent to Roadrunner Neighborhood Park and this project will provide a 4 acre multi-purpose sports field for use by the public during non-school hours. The site is located on La Cuenta Drive in the Tierrasanta Community. The consultant for this project was selected in accordance with Council Policy 300-7. The Park and Recreation Department interviewed three firms from the "Services As-Needed" list of landscape architects. This list was prepared at the June 22, 1988 meeting of the Design Consultant Nominating
